I wish you the very best in your selected studies and look forward to helping you to achieve your goals and sharing your experiences.

Thank you for choosing CTC, we promise to provide you with the best professional quality tourism education.

Who are we?

We are the only specialty college in British Columbia that focuses on all aspects of hospitality and tourism training for in class and online instruction. Our focus is to provide our graduates with the skills to gain positions within our vast industry. Our specialty is helping students launch their new careers in the global hospitality and tourism industry.

With your first visit to CTC, you'll notice something special about us. Here you'll find not only a comfortable learning environment, but something more; a spirit of warmth and friendliness, a positive attitude that is shared by everyone, a sense of genuine caring and mutual respect between students, staff and Instructors alike.

Today, CTC is recognized throughout the travel and tourism industry as the leader in quality training, and remains guided by one basic principle: we put the needs of our students first.

Our History

Established in 1980, CTC is a fully designated college by the Private Training Institutions Branch (PTIB), formerly known as The Private Career Training Institutions Branch (PCTIA) of British Columbia. In fact, CTC was the first college in the province to earn accreditation in 1995. Being designated is evidence that CTC teaches to a high level, meets quality standards set by the Education Act of BC and operates with a high level of integrity and educational competence.

CTC is the proud recipient of the Education Quality Assurance (EQA) designation earned by public and private post-secondary education institutions that have met or exceeded government recognized quality assurance standards. The Ministry of Advanced Education is responsible for establishing the EQA designation policy, determining whether an institution meets the criteria for EQA designation, and granting permission to use the EQA certification mark. Further, EQA designation is a requirement for the approval process of being listed as a Designated Learning Institute (DLI: O19301323922) with Immigration, Refugees and Citizenship Canada (IRCC). This designation further ensures our students that CTC is dedicated to providing top quality industry validated curriculum.

Our Mission

"Creating Career Opportunities in a Changing World"

CTC recognizes the importance of selecting a college suitable to our students' needs. We strive to enrich and improve our instructional methods, curriculum, qualifications and designations awarded to students to ensure we are the leaders in the industry.

In keeping with CTC's aim in preparing our students for their future career, the students will present themselves in a professional and polished manner. It is expected that students will wear adhere to the policy to and from the college, during the day, and off campus while they are representing the college in an official capacity.

It is understood that students will use good taste and judgment with respect to their overall presentation and will avoid wearing garments that are damaged, revealing, or poorly fitted. Garments will be well fitted, in good condition, clean and ironed at all times. CTC makes every effort to encourage students to dress appropriately during attendance at the College. However, it must be recognized by students that their studies are the springboard to their future career, where judgments on grooming and presentation will be made as essential criteria for obtaining employment. Students are expected to meet basic hygiene requirements during regular class hours for the duration of their program, such as but not limited to:

- Maintain personal cleanliness by bathing daily
- Oral hygiene (brushing of teeth)
- Use deodorant / anti-perspirant to minimize body odors
- No heavily scented perfumes, colognes, body sprays, lotions are permitted on campus. These can cause allergic reactions, migraines and respiratory difficulty for others. Students who disregard this policy may be asked to wash off strong scents or possibly sent home if they are unable to do so.
- Clean and trimmed fingernails (¼ inch long or less)
- Wash hands after eating, or using the restrooms

Students who arrive for a scheduled day of class, not representing the college in a professional and polished manner will be required to meet with the Campus Director. The student can expect the following process:

Administration Information

Student Files

Student records are governed under The Private Training Institution Branch (PTIB) and the Privacy Act of Canada. As per our compliance with PTIB, CTC is required to maintain student files pertaining to information requested from the student, staff, and Instructors on student enrollment, academic progress, any student disputes or appeals, withdrawals and completions during your time of study with CTC.

Documents and forms held in student files include (where applicable) but are not limited to:

- Enrollment Contract
- Copy of legal identification
- Proof of entrance requirements
- Payment records
- Copy of student visa or work permit (if applicable)
- Medical insurance (if applicable)
- Marks and attendance
- Transcripts issued and if applicable, copy of the credential granted
- Student Interview Forms
- If applicable, withdrawal or dismissal documentation

Other relevant documents (medical certificates, incident reports, student dispute or appeal, student guidance and support forms etc.) are collected and documented as received using a Student Interview Form, filed in student files for confidential safe keeping. All documents are signed, completed and attached to the student file and stored appropriately.

To view your student file, please make an appointment with the Campus Director and provide your student ID card for verification. Please note that student files cannot leave the campus and can only be viewed in the presence of the Campus Director. Students may request a copy of their file from the Campus Director, at a cost of \$100.00.

Student Tuition Protection Fund

The Private Training Institutions Branch requires that all private colleges must protect student fees paid to them. The Student Tuition Protection Fund is made up of contributions from all registered private career-training institutions in BC. The fund belongs to the public and is there to protect true and bona fide student claims.

Notice of Withdrawal

If a student is considering withdrawal from a program of study, the student is advised to meet with the Campus Director to discuss the reasons behind the decision. At this time, the Campus Director will review the Enrollment Contract that outlines the tuition refund policy. The student is also at this time counselled on the consequences of withdrawal and how it may affect their student loan or alternate source of funding.

If a student withdraws from a program of study, a written request is required from the student. The College will complete a Program Withdrawal form accompanied with a letter confirming the change of student status. The Campus Director will calculate the tuition paid against the tuition penalty to be applied. Details on how this is calculated can be found on the Enrollment Contract under the refund policy section.

Notice of Withdrawal for International Students

In order to maintain the integrity of the College's status as a Designated Learning Institution and ensure compliance under Immigration, Refugees, and Citizenship Canada, the College has adopted the following policy and procedure for international students who wish to withdraw from the institution. International students who have been admitted to the College, and who subsequently wish to withdraw must demonstrate that they will continue to be in compliance with their Student Study Permit and visa requirements when they provide notice of withdrawal. Withdrawal notifications must be in writing. Accompanying documentation

should include:

- 1) An official acceptance letter from a Designated Learning Institution that identifies a starting date no later than 30 days from the date of the student's written notice of withdrawal; or
- 2) Documents that verify that the student will leave Canada within 30 days of the date of the student's written notice of withdrawal.

Tuition that is to be refunded will be issued to the student or appropriate funding organization that originally paid the tuition. The financial department is responsible for issuing a payment, should there be a refund, and will do so within 30 days from the date that the written request was received by the institution.

Tuition that is to be collected will be due immediately unless a payment plan is in place and approved by the Campus Director. In the event that tuition continues to be outstanding, the Campus Director will provide the student with the following sequence of letters:

1. First Letter – Provide the student 2 weeks from the date of the letter to contact the Campus Director to discuss repayment of fees owing.
2. Second Letter – Provide the student 2 additional weeks from the date of the second letter to contact the Campus Director to discuss repayment of fees owing.
3. Final Notice Letter – Provide the student 2 final weeks from the date of the final notice letter to contact the Campus Director. If no contact made, the student is placed on collections.

Course Assessments

Student competency and understanding will be evaluated using a variety of methods. These assessments may include, projects, presentations, quizzes, tests, homework, assignments, mid-term and final exams. In-class participation is required and designated by the course. Students must achieve the minimum passing mark for all modules (Tourism, Hospitality & Flight Attendant core modules – 70%, Business modules – 65%)

To achieve honours status, a student must achieve an overall aggregate of 90% or above for the entire program and maintain a 90% or higher attendance rate.

Exam Rules

An exam will commence at the scheduled time and complete at the scheduled time. Students who arrive late may be eligible to still sit the exam at the discretion of their instructor. Should an instructor allow a student to sit the exam despite their late arrival, their exam will still conclude at the scheduled time and no additional time will be allocated for late arrivals. Depending on the nature of the exam, instructors have the right to deny entrance for late arrivals to the exam and will communicate this to students prior to the examination date. If a student is denied entrance to an exam due to a late arrival, the "Rewrite Exam" protocol will be applied.

Exams may be a combination of open and closed book portions, all open or all closed exams, which may vary in duration. Please refer to the distribution of course marks and exam time limit for your program.

During an exam, students must remain in the classroom at all times. A student may leave the classroom in an emergency if it's been discussed with the Instructor and approved. A student who leaves the classroom without consent from the Instructor forgoes the remaining questions and the exam will be concluded.

Exam Protocol

In concert with other private colleges, community colleges and universities in BC, the following guidelines will apply to final exams at CTC. Historically it has been shown that marks and professionalism remain at a consistently high standard when this system is applied.

- Exams begin at the scheduled time and will end as instructed.
- Exam material will be located at your assigned seat.
- Any other information required will be on the board.
- Washroom trips are to be taken one at a time.
- No cell phones or cell phone calculators are to be used during the exam time.
- Any breach to the Academic Integrity Policy will result in the exam being stopped immediately and the student will be asked to leave the classroom.

Viewing of exams may be carried out by pre-booked individual sessions with the Instructor.

If a student challenges the marking assessment of their exam, the entire exam will be subject to review by the Instructor. Please follow the [Grade Appeal Policy](#) for procedures.

Rescheduled Exams

If a student requests to write an exam at a time other than the scheduled seating due to medical reasons or exceptional circumstances, they will have one opportunity to reschedule with the ability to earn full credit and will consequently forfeit the opportunity of being eligible to do a rewrite of the exam in that subject. Exceptional circumstances can be discussed with their Instructor and must be arranged prior to the exam date. Medical issues with a supporting doctor's note, exceptional circumstances or other pre-arranged circumstances that have been approved by the Campus Director of the respective campus may provide the opportunity for a rewrite. All fees are owing and payable as per the contract.

Homework and Classroom Assignments

Homework and assignments are required to be submitted on the assigned date and time. Late submission will be subject to a mark reduction as defined below. Work produced during your course at CTC remains the property of CTC at all times and may be used for instruction or promotional aspects of future courses.

The late submission of homework, assignments, quizzes, or tests outlined above will receive a mark no higher than the minimum passing percentage and, at the Instructors discretion, may be deemed a rewrite. The Instructor may also determine if outstanding work must be submitted before the final exam of the specific course.

Rewrites (Exams, Assignments, Quizzes or Tests)

Students who do not pass an exam, assignment, quiz or test, due to a final mark being below the minimum passing mark, late submission or absence (including denied entry due to a late arrival), will have one opportunity to resubmit or attempt the course work considered as a rewrite. Once an exam, assignment, quiz or test is deemed a rewrite, the student may receive a mark no greater than the minimum passing mark for that module.

If the student's overall mark for the entire module meets or exceeds the module's overall minimum passing mark despite a failed exam, assignment, quiz or test, a rewrite is not required. However, a student has the right to request a rewrite in order to improve their overall mark.

All rewrite examinations and submissions must be completed within one month of the original due date. Should no rewrite be completed by this time or if the 1 rewrite attempt does not achieve the minimum passing mark, the final marks for the course will be closed, and the student will be required to retake the entire module.

Rewrites should not be taken lightly, and continued occurrences of rewrites will result in a student being placed on academic probation and potential dismissal from the College due to failing to maintain satisfactory scholastic standing in their program.

All the above is subject to discussion with your Instructor or the Campus Director.

Rewrite Fees

A rewrite fee of \$100 will be charged *per assignment, quiz, exam and test* that must be completed in order to achieve an overall passing mark in a module. If the rewrite is a quiz, exam or test, the fee must be paid prior to challenging the rewrite. If the rewrite is an assignment, the revised mark will not be issued until the fee is paid.

If the student does not achieve a minimum passing mark on the rewrite they will be required to retake the entire course and subject to additional Course Retake fees.

All the above is subject to discussion with your Instructor or the Campus Director.

Course Retake

If, during the period of study on a registered program, a student is unsuccessful at achieving the minimum passing mark for any course that makes up their program, they will be required to retake the entire course. The course retake fees are calculated at \$15 per 1 hour of instruction. The cost of retaking a course can range anywhere from \$300 - \$2000 depending on its duration.

If the student retakes the course, the student is eligible to receive full marks, however, please note that all work submitted must be new and original. Previously submitted or graded work may not be used as a basis for evaluation and will not be accepted or used as a basis for competency.

Should a student not successfully pass a course retake, they may be required to pay to retake the course again or be dismissed from the College as a result of failing to maintain satisfactory scholastic standing in their program.

Assignment Submissions

Assignments for submission are required to be submitted in the American Psychological Association (APA) format. This is the most commonly used style to cite sources including in-text citations, endnotes/footnotes, and the reference page. Students may refer to [APAStyle.org](https://apastyle.org) for further information.

Modifications on assignment submissions may be made however this is at the discretion of the Instructor. These changes will be made clear at the time the assignment is announced.

Student Marks

Confirmation of marks: marks achieved in a course will be returned to the student as follows:

- Assignments – 2 weeks from the assignment due date, as issued by the Instructor
- Short answer assignments – 1 week
- Essays – 2 weeks
- Tourism Research Project – 4 weeks
- Quizzes – 1 week
- Exams – 2 weeks
- Final exams – 2 weeks

Please see your Instructor for the process of advising marks. Marks may also be accessible through the Student Login portal, among other resources such as attendance and financials. Exams and quizzes remain the property of CTC and may not be removed from the campus.

Program End Dates & Re-admission

The program end date is discussed during the enrollment process and is located on your Enrollment Contract. If you have any questions your Campus Administrator or Campus Director will be able to assist.

This date is the final date for completion of all required components of your program, including any work experience component such as a practicum or co-op. The completion includes all outstanding work such as examinations, projects, presentations, quizzes or any other assessment as determined by the Instructor and as is deemed relevant to the program completion.

Once the end date has been exceeded, the student file will be closed and a final transcript will be issued.

Further outstanding work as outlined above cannot be submitted as the student is now in the position of re-admission and fees will apply.

For a student file to be re-opened, an appointment with the Campus Director will determine the terms of a new Enrollment Contract. Both parties will agree upon these terms and the applicable fees must be submitted prior to the acceptance of any assignments. An Independent Learning Plan will be created outlining the required items for completion with applicable due dates.

Re-admission charges are \$250.00 for Domestic Students and \$350.00 for International Students in addition to a grad and archive fee of \$75.00.

Resubmission fees will apply and be outlined by the Campus Director. This information will be included and detailed in an Enrollment Contract.

There will be no negotiation relating to the dates set in the contract once both parties have agreed and signed.

Financial Assistance

Students enrolled in full-time programs may be eligible for Canada and Provincial Student Loans and Awards. Student Loan forms are to be completed online via Student Aid BC's website. Students who apply for loan funding, the application should be completed and submitted a minimum of 4 weeks prior to their program start date. If funding has not been approved prior to the program start date, an initial payment is required before commencement of studies.

As part of the College's commitment to preparing our students for success, all students wishing to apply for student loan funding are required to complete a budgeting worksheet to assist in forecasting educational costs during their study period. The purpose of the budget worksheet is to ensure students are not proceeding with full-time studies that will place them in financial hardship which significantly increases the risk of withdrawal from the program and challenges with repaying their loan.

Students should note that any adjustments to their training program might affect their financial obligations with Student Loans. For information on eligibility, maintaining your loan, program requirements such as attendance and marks, repayment details and your loan responsibilities, visit www.studentaidbc.ca.

Many banking institutions offer reasonable educational loans for CTC students. Please note that a co-signer may be required for these financing options.

Tuition Fees

Students will be given a fee payment schedule prior to the first day of classes or during the first week of classes. Students are responsible for ensuring that all fees are paid to the College according to the fee schedule. Making payments before or on the scheduled payment date is the responsibility of the student.

Non-Student Aid BC funded students are required to have all program fees paid in full a minimum of 8 weeks prior to a work experience practicum or co-op. Students with outstanding fees will not be eligible to attend practicum or co-op work experiences. Students registered in a program that does not have a work experience component or the program duration is 3 months or less, are required to have all program fees paid in full a minimum of 4 weeks prior to the program end date.

Monthly Service Charges

A \$15.00 per installment service charge will apply for students that choose to make tuition payments.

Late Payments

Students who do not pay by the date outlined in their fee payment schedule may be given 2 days' grace but will be subject to a \$15.00 late fee. If you are experiencing financial difficulty and are unable to pay your fees on time, you may request a promissory note which must be approved by the Campus Director. The due date for payment of fees may be extended by one week. This is only done in extenuating circumstances and must be negotiated prior to the date fees are due.

Should a student not make a fee payment after the 2-day grace period or date negotiated and approved by the Campus Director, the following will transpire:

1. The Campus Director will issue a warning letter with a period of 4 weeks to finalize the outstanding balance outlined in the fee payment schedule. In class participation during the 4-week period may be limited or excluded pending arrangements with the Campus Director.

2. Should a student not make payment after the 4-week period, the student may temporarily suspended from studies until the outstanding fees have been addressed or dismissed from the College. Should a student be dismissed, the College's Tuition and Fee Refund policy will be applied. Please refer to the Dismissal Policy.

Returned Cheques

These will be subject to a \$25.00 charge.

Program Delay/Transfer Fees (Prior to Enrollment Contract Commencement)

A delay of start date or transfer of program to an alternate campus is possible as long as it is before the start date on the original Enrollment Contract. Students who do so will be charged all fees due under their registration contract at the time. If the student would like to re-enroll for a future start date or transfer of programs, re-admission fees of \$250.00 for domestic students and \$350.00 for international students will apply. A new Enrollment Contract will be required and if applicable, CTC may move tuition and fees already paid on account over to the new start date or transfer program.

Please note: transfer from one program to another may result in cancellation penalties being applied to the first program.

Program Delay/Transfer Fees (Post Enrollment Contract Commencement)

Changes to a current program (during the start and end date on the Enrollment Contract) such as rescheduling a course or changing campus, will be reviewed and require approval by the Campus Director. Payment of \$250.00 change fee, due at the time of the request. No requests will be reviewed or considered until the fee has been received and this fee does not guarantee that the request can be accommodated.

The Campus Director will review each course or campus transfer on an individual basis. Factors that may prohibit a course or campus transfer may include (not exclusive):

- College scheduling: location, availability, class size
- Instructor availability
- Preference of Instructor
- Attempt to transfer midway through a course
- Documentation issues relating a study visa or work permit
- Students who have altered their program and have any type of delay or break in training
- Students on Student Loan funding are not permitted to have a delay or break in their training and may risk withdrawal status. This may result in an over-award situation, requiring the repayment dates to move forward by 6 months from the withdrawal date (the last day in class)

Prior Learning Assessment Policy

CTC will consider prior learning assessment applications from students that have attended other recognized training institutions. To submit an application, CTC requires:

1. Students must present all the required documentation a minimum of 4 weeks prior to the program start date to the Admissions Advisor. Documents required are:
 - a. Course outline
 - b. Transcript of marks showing successful completion

CTC is proud to offer transfer articulation, please visit tourismcollege.com for current agreements.

Completion of CTC Diploma Programs does not constitute direct enrollment into the mentioned colleges or universities. Each college and university program has specific requirements. CTC graduates must meet the entrance requirements of the receiving institution.

If CTC can assist in any way, please contact us.

Student Support Services

Employment Opportunities

During studies, opportunities sometimes arise for students to gain part-time employment from various industries that CTC has networks with. Students will be notified of any relevant employment opportunities via on campus notice boards, CTC's online job board (Career Hunters), emails, and verbally by CTC staff.

For other job opportunities, you can look at local newspapers, online job sites such as Craigslist/Monster/Indeed, and community notice boards. Please remember it is important to balance work, study and personal time.

Alumni students of CTC will have access to job placement assistance, ongoing support for upgrading resumes and access to tourism job leads through the CTC website.

This service is available to all graduates requesting information and support in their job search. Assistance includes resume and cover letter preparation, job lead emails, career trends, and general support. Students are able to log in at the CTC's Career Hunter on www.tourismcollege.com for current jobs available.

Independent Learning Plan

Students are encouraged to notify their Admissions Advisor regarding any educational issues, barriers to learning or concerns prior to enrollment in a program. Students will meet with the Senior Education Administrator to discuss how the College can support them and may also create an Individual Learning Plan (ILP) in order to accommodate these needs. ILP's can be modified to meet student needs based on student and Senior Education Administrator's input.

An ILP identifies educational barriers or learning concerns prior to enrollment. Additionally, an ILP may be created to address other learning concerns that develop during a program of study. Examples may include (not exclusive to) academic or attendance concerns, behavioral concerns, an approved Leave Application between the student and Campus Director, or a student who's been placed on Academic Probation.

The ILP identifies academic outcomes accompanied by the needs and activities needed to undertake the process. A weekly record outlining activities is created and a completion date that is agreed upon by the student, Instructor and Senior Education Administrator.

Student Evaluations

Students will have several opportunities to evaluate all facets of CTC during their program duration, through online evaluations completed during class time and one-on-one meetings. The Campus Director will be available to answer any questions regarding definitions of terms used in the evaluations to ensure that all evaluations have been submitted.

All online evaluations at CTC are anonymous, however you are able to put your name on the evaluation if you wish to be contacted to discuss the evaluation in more detail. Evaluation windows open on quarterly basis through Survey Monkey.

One-on-one meetings are conducted monthly with the student and the Instructor. This provides a private opportunity for both parties to discuss the student's academic path at CTC, progress, marks, attendance and more.

Alcohol & Cannabis

Students may not attend College or field trips while under the influence of alcohol and/or cannabis and are forbidden from bringing intoxicating beverages / liquor/substances onto CTC premises at any time. Any student found in an intoxicated state will be requested to leave the College (supervised by CTC staff) and will be subject to disciplinary action.

From time to time, CTC will use alcohol as a method for demonstration and instruction. Students must be

over the age of 19 to participate in these demonstrations.

Drugs

CTC forbids the use of illegal substances at any time during classes or field trips. This also includes the ownership of drug taking equipment. Any student found possessing, using or being under the influence of illegal substances will be removed from the College (supervised by CTC staff) and the proper authorities will be informed. Consumption of illegal substances will result in disciplinary action.

Smoking

Smoking is strictly prohibited on campus or at the building entrance as per provincial laws.

Policy for Sexual Harassment

Harassment and bullying are defined as, unwelcome advances, requests for sexual favours and other verbal or physical conduct of an inappropriate nature by anyone in a position of power or influence and/or student body.

When such conduct is directed towards an individual and has the purpose or effect of a) creating an intimidating hostile or offensive work or academic environment, or b) unreasonably interfering with another's work or academic performance, it must be reported to the Campus Director. All reports will be documented.

Procedure for Reporting Allegations of Harassment and Bullying

Any individual or individuals that believe they have been victims of this type of harassment should report the incident to their Campus Director. It is preferable that incidents of this nature be reported as soon as possible.

Academic Information

Attendance

In the event you are unable to attend your class or work experience for any reason it is required that you call or email your Instructor before the start time and leave a message detailing your name, class, and reason for absence. Where appropriate please also call any work experience provider to advise them of your absence. In all other circumstances speak to the Campus Director.

Further details can be found towards the end of this handbook, under CTC's [Attendance Policy](#).

Term Breaks & Requested Breaks in Study

There are 3 term breaks during the calendar year at Canadian Tourism College: Spring Term Break (1 week), Summer Term Break (1 week) and Winter Term Break (2 weeks). During these breaks, no classes are in session and students can use these times as they please. Please refer to your student schedule for confirmation on the dates of the breaks.

Students may wish to take breaks outside of the term breaks, but it must be noted that the College's programs are not designed for students to take breaks at their own leisure and are strongly discouraged from taking breaks that will disrupt their study period.

Students are required to request an authorized leave from studies prior to making a commitment to take a break in studies no less than 4 weeks before the desired leave date. The maximum length of an authorized

leave from studies is 4 weeks not including any term breaks. Applications for leave will not be considered if the course has already been delivered. An application fee of \$250.00 is due at the time of submission, no applications will be accepted until paid. Requests for leave received prior to the start of the student's program, will have the application fee waived. Requested breaks in study for the following programs will not be considered due their short duration:

1. Flight Attendant Diploma
2. Tourism Certificate/Tourism Co-op Certificate
3. Hospitality Certificate/Hospitality Co-op Certificate

Key Considerations for an authorized leave:

1. Scheduling: When and where will the courses that a student will miss next take place and are there any conflicts with existing scheduled courses.
2. Funding (Student Loans, First Nation Band Funding, HRSDC, WorkSafe BC): Is the student receiving any form of funding? If so, are there restrictions in place from that funding source that do not allow breaks in study other than the College's term breaks?
3. International Students: What are the expiration dates of the student's study and/or co-op visa's? Is there a risk that the student may face challenges in returning to or completing studies? Does the student have visa extension applications pending?
4. Academic status: Is the student in good standing both in program progress and attendance?

Should a student go on an unauthorized leave, they will be issued a failing mark for any courses that took place during their leave which they did not attend. Should this occur students will be charged a course retake fee (Course Retake, p.14) for each course they have missed.

Where prior approval is sought, every effort will be made to assist the student to develop an Independent Learning Plan to make up missed assignment(s), class work or the rescheduling of modules.

Class Expeditions / Field Trips

It is the expectation of CTC that all students behave in a professional and organized manner. Dress will be business attire or as appropriate for the event, Instructors will advise.

Timekeeping will be agreed prior to trip and will be adhered to without exception. Field trips are a critical part of the learning process and must be taken seriously. If you miss a departure it will be your responsibility to join the group on route.

Closures – Weather Related

In the result of severe weather conditions please make sure you check our website as well as our social media pages for College closure, rescheduling of classes, or any other announcements that may be made. Notices of closure will be posted no later than 6:30am.

Mobile Phones

Mobile phones are permitted on campus but must be turned off or turned to silent prior to entering a learning and practice setting. Your Instructors will accommodate emergency calls. All emergency calls must be

taken outside the classroom environment. Failure to comply could result in a warning letter and/or further disciplinary action.

School Supplies

While in attendance at CTC students are responsible for supplies as required. Typically, the following items may be required: laptop, pens, pencils, binders, loose leaf lined paper, white out, basic four function calculator (phones are not permitted in exams), highlighters, ruler, and a flash drive.

Students should have a computer or regular access to one to conduct research and complete assignments. Please inquire with an Admission Advisor for software specifications and requirements.

Allergies

With respect for others, CTC is a scent-free zone. Please do not bring or wear strongly scented products to the College as these can greatly impact other student's ability to comfortably focus on their studies. Many forms of strong scents can cause a harmful impact to a student leading up to and including the need to seek medical attention. Various forms of scents can create this impact and examples may include but not be limited to: perfumes, colognes, body sprays, hand sanitizers, moisturizers, sunscreen, lip balm, certain foods and beverages and even some laundry detergents. The use of strong-smelling foods, such as seafood, in the microwaves is also prohibited.

It's asked that students refrain from wearing anything that has a strong scent and instead seek alternatives that have a neutral aroma.

If a student feels they are being adversely affected by a scent, they should privately discuss the concern with their instructor who will assist them in identifying an appropriate course of action which may include addressing the individual(s) who are not adhering to a scent-free zone policy. Further accommodation for the student affected by the scent may be provided if necessary. If it is clearly evident that an individual is not upholding the scent free policy, they may be asked to wash off the scent or sent home for the day if they are unable to do so.

Etiquette

It is understood that while in class, all students will listen intently to their Instructor. Should a student have to leave or enter the class during scheduled class times, please do so in a quiet and non-disruptive manner.

Etiquette includes no eating or drinking while on a host's premises. Cell phones must be switched off or in silent mode during class. Please extend basic courtesy while hosts are giving tours and speeches.

If you arrive to class late, your instructor reserves the right to not allow entry into class. If you are permitted to enter class, please quietly take your seat and do not disrupt the classroom.

Food & Drink

In an effort to provide students and visitors with a well-kept, clean and tidy campus environment, consumption of food and beverages must take place in the designated eating areas as it is not permitted in the classrooms. However, water that is kept in an enclosed and sealable container is acceptable. In consideration of student allergies, strongly scented food such as garlic and seafood are not permitted to be used in the campus microwaves.

Handouts and Classroom Materials

If you should be absent from a classroom session, it is your responsibility to contact classmates or your instructor to receive any handouts or information missed.

Visitors

Visitors are defined as any person or persons not registered with CTC. Visitors must have authorization from the Instructor or CTC representative to attend classroom sessions. Children and pets are not permitted in class during study periods without the expressed consent of the Campus Director. Students violating this conduct will be asked to leave and be responsible for gathering any missed schoolwork.

Employment Preparation

Students are required to complete the Career Development course which outlines expectations for gaining employment, preparation of resumes both hard copy as well as electronic, interview preparation along with role playing, job search techniques as well as coaching from our Instructors. Students are required (if applicable to the program) to complete a mandatory, unpaid 160-hour practicum or a co-op work experience (with exception to the Travel & Tourism or Hospitality & Resort Management Diploma that include 155 hours of placement); this in itself is excellent experience to help prepare for the next step in gaining employment. Students have access to weekly job posting updates on our website in the Student Services link to Career Hunters.

Expectations, eligibility for placement, and requirements for successful completion of the work-experience components are outlined in the policy section of this handbook for both practicum and co-op's.

When You Finish Studying

Graduation

CTC graduation ceremonies take place twice per year, once in May and once in November on a Wednesday afternoon. The event is usually scheduled the second or third week of the month, dependent on venue availability. The ceremony takes place from 3pm – 5pm and includes a graduate procession, and a valedictorian nominated by the College's faculty.

Recent graduates and students who will be graduating within 1-2 months of the ceremony are eligible to attend. This means the student must have fully completed their program (including work experience) or be scheduled to fully complete their program (including work experience) within 1-2 months of the event. Graduates who were unable to attend their original ceremony date may also request to attend a later event up to 1 year after graduation. It is the responsibility of the graduate to know when they are scheduled to complete their studies and what ceremony they would therefore be eligible to attend. If unsure, students should contact the College.

The College opens the RSVP window for graduation ceremonies approximately 6 weeks before the event is to take place. For example, graduates will be able to RSVP for the November ceremony in October of that year. The RSVP period is for 4 weeks and closes 2 weeks prior to the ceremony (usually the end of the month before graduation). Graduates should actively pay attention to the College's website, social media platforms, and communications for news that the RSVP window is open. It's up to the graduate to confirm if they wish to attend graduation by submitting an RSVP during this period.

Please note that these occasions require a formal dress code unless otherwise stated. Formal regalia (grad gowns) are required and will be provided by CTC on the day of the ceremony.

Qualification and Achievement Certification and Transcript

Attendance Policy

Name of Policy

Campus Director

Position(s) Responsible

Policy:Absence

Due to the interactive nature of the programs at CTC and professional conduct requirements, all students are required to maintain a minimum of 80% attendance of the courses in which they are enrolled. Students, who fail to maintain the 80% attendance requirement may result in dismissal from the program, please refer to the Dismissal Policy for procedures.

Students will be required to provide explanations for absences however this does not equal an 'excused absence'. Absence to be marked as 'excused absence' and be exempt from the 80% attendance requirement must be approved by the Campus Director.

Students, who have absence from class due to illness for more than one day, are required to submit a medical certificate to the Campus Director. This document must include the name of the physician, address, telephone number, verbiage affirming the medical issue along with dates that support the period of time the student was absent.

Excessive Absence

Students are expected to be in attendance as per the Enrollment Contract. Each student is provided a program schedule on induction day, outlining his or her day-to-day sessions throughout the educational period at CTC. Depending on the program, a student may have one session or two sessions per day (morning or afternoon), delivered in four-hour intervals.

Excessive absence includes but is not limited to:

4. A dismissal letter after five days of unexplained consecutive absences and/or failure to improve attendance after one verbal warning and two written warnings

Commitment to study is one that should not be considered lightly. Absent students will be missing out on important material during class delivery time that can be very difficult to repeat. This will make completing assessments very challenging. Please make full use of the delivery time your Instructors provide to enhance your learning experience with CTC.

Attendance and punctuality are very important and are recorded on a daily basis. Attendance is tracked by the hour and may be used in reporting purposes to the following organizations; Student Loans, Citizenship and Immigration Canada, Workers Compensation Board, Employment and Social Development Canada and more. Additionally, these records are used when calculating participation marks, practicum or co-op work experience. In order to guarantee the work experience placement, it is required that attendance is 90% or higher. Attendance to all aspects of your program is mandatory.

For those on [Student Loans](#), please familiarize yourself with the requirements to maintain your loan and continue you in your studies.

Fee Payment Policy

Name of Policy

Campus Director, Student Finance Officer, Admissions Advisor

Position(s) Responsible

Policy:

CTC provides students several options to paying their program fees which they are required to confirm at the time of enrolment. Once a payment method has been determined, the student is responsible for adhering to the agreed to payment plan (established through a Schedule A) and ensuring all payments are made on time. Students receiving financial assistance to pay for their schooling through programs such as: student loans, Work BC sponsoring programs, Work Safe BC vocational rehabilitation programs, and Indigenous Band funding are responsible for ensuring that all necessary steps are completed so that funding may be released to pay for program fees as per their payment schedule.

All fees paid to Canadian Tourism College must be paid in Canadian dollars (the College does not accept cryptocurrencies, such as Bitcoin, at this time).

Students who are paying for their program fees directly with the College are required to have all program fees paid in full a minimum of 8 weeks prior to a work experience practicum or co-op. Students with outstanding fees will not be eligible to attend practicum or co-op work experiences. Students registered in a program that does not have a work experience component or the program duration is 3 months or less, are required to have all program fees paid in full a minimum of 4 weeks prior to the program end date. No official documentation will be released to a student (official transcript and/or certificates/diplomas) that is delinquent on their fees until they are paid in full.

Fees may be paid to the College by the following methods:

1. **Cash (up to a maximum of \$1,000 CDN):** Due to the rising concern of money laundering activities in British Columbia, including in the post-secondary system, a single student may provide cash payments to a maximum amount of \$1,000 for their entire program. The balance of a student's program fees must be paid by one of the other payment methods indicated below.
2. **Debit:** The College accepts payment by debit card, however students are responsible for ensuring they are aware of any daily transaction limits (often \$1000) and how this may affect their ability to pay their fees on time. If a student is unable to pay the full amount of a fee owing due to a transaction limit, they may be charged a late fee of \$15.
3. **Credit:** Students may make credit payments on school fees and when doing so, are encouraged to complete a "Pre-Authorized Credit Card Payment Form" so that payments are processed on time without the need for students to have to process the payment in

person. Pre-Authorized Credit Card Payment Forms are kept in the student's records and locked in the institution's student records room.

4. **Cheque:** Payments may be processed by cheque and students are encouraged to provide post-dated cheques that the College will process as each payment becomes due. Post-dated cheques are kept with the student's records and locked in the institution's student records room.
5. **Certified Cheque:** Certified cheques are received from a student's financial institution and allow a student to make large sum payments to the institution. A certified cheque provides confirmation from the student's financial institution that sufficient funds exist in the account to cover the cheque by setting aside the funds needed to cover the cheque until it is cashed by the institution.
6. **Money Order/Bank Draft:** A similar method to certified cheques guaranteed by the student's financial institution with the difference of the institution requiring a prepayment to be made by the student first.
7. **Bank Transfer:** Students may conduct an e-transfer of funds from their account directly to the College. To conduct an e-transfer please speak to your admissions advisor or Student Finance Officer.
8. **Wire Transfer:** Students who are overseas (outside of Canada) only, may send payment for program fees by wire-transfer. To conduct a wire-transfer please speak to your international admissions advisor.

Work Experience Policy

Name of Policy

Work Experience Coordinator

Position(s) Responsible

As part of its programs, CTC will arrange (where applicable) industry-based learning experiences which will enable students to be assessed in the workplace and provide practical experience. Work experience placements are defined as:

Practicum

- Consists of no more or less than 160 hours of placement
- For which a student is not paid.

Co-op

- Consists of no more than 50% of the total hours of instruction, and
- For which a student is paid.

Tourism constitutes a wide variety of sectors that provide diverse products and services to visitors. The five sectors outlined by [go2HR](#) are: Accommodation, Food and Beverage Services, Recreation and Entertainment, Transportation, and Travel Services. Students that qualify for a work experience will be placed with a host organization that falls within one of these sectors. Any customizations to the terms of a student's work experience (such as an early start of their co-op or practicum) must be discussed with the Campus Director for consideration. The Campus Director will then determine if the request will be approved.

Policy:

1. CTC provides a work experience placement (only within Canada) for students who have successfully completed the on-site portion of a program of study and be in good standing (80% or greater) in overall attendance to date. The work experience is included in the training period while placement and monitoring is conducted through CTC's partner, Step West.
2. CTC ensures that work experience placements provide an opportunity for students to enhance the skills learned throughout completion of a program of study.
3. CTC seeks work experience placements for its students with employers who are committed to introducing students to work in the field of study.
4. CTC works with host organizations to evaluate the student's performance during a work experience placement.
5. The duration of training varies between programs. Students are directed to the program outline provided at time of registration for required work experience hours and must complete these hours, and no more. Length of the workday and days of the week are open to negotiation between the work experience company and the individual student.
